MEMORANDUM FOR OACSI CENTER LANE Project Officer

SUBJECT: Identification of Excess P-6 Funds (U)

1. (U) References.

a. (U) Memorandum, IAGPA-F-SD, dtd 16 June 1983, subject: Support of INSCOM Initiatives With P-6 Funds (U)

b. (U) Discussions, LTC Buzby/LTC Fox, 14 August 1984, Subject: SAB

2. (S/CL-2/NOFORN) USDRE P-6 funds made available in 1983 to support the INSCOM CENTER LANE Project (ICLP) included authorization to spend approximately \$26,500 for the purchase of biofeedback equipment. Per reference 1b, the biofeedback equipment was not purchased after funds had become available. The 17 July 1984 decision by the CG, USAINSCOM to cancel ICLP and transfer its operational capabilities to a national level intelligence agency now negates any further action to obtain the equipment; therefore, the P-6 funds are considered excess and available for turn-in.

3. (FOUO) Request the OACSI DAMI-ISH CENTER LANE Action Officer take necessary action to return the excess P-6 funds to the proper channel.

MEMORANDUM FOR RECORD (Describe briefly the requirement, background and action taken or recommended. Must be sufficiently detailed to identify the action without recourse to other sources.)

(FOUO) ORIGIN OF ACTION: CG, USAINSCOM recommendation and subsequent Secretary of the Army approval, to cancel the INSCOM CENTER LANE Project (ICLP) and transfer appropriate functions to DIA.

(U) DISCUSSION:

a. (S/CL-3/NOFORN) Under Secretary of Defense, Research and Engineering made P-6 funds available during 1983 to support ICLP. A portion of those funds (\$26,500) was designated for the purchase of biofeedback equipment. A reevaluation of ICLP requirements for the equipment by the ICLP manager and the INSCOM psychologist, emphasis on other program aspects, and a concept change on how ICLP would/should use biofeedback equipment all resulted in a delay in the purchase of the equipment.

b. (S/CL-3/NOFORN) The 17 July 1984 decision by CG, USAINSCOM to cancel ICLP negated the need for the purchase of the biofeedback equipment even though the ICLP manager and INSCOM psychologist developed a new concept to obtain and utilize the equipment.

c. (S/CL-3/NOFORN) The funds provided to ICLP are USDRE P-6 funds administered through the Assistant Secretary of the Army, Research, Development and Acquisition (ASA RDA) and the Deputy Chief of Staff, Research, Development and Acquisition (DCSRDA), and OACSI. They were not provided to INSCOM for any other use and are not available for other purposes within INSCOM without prior approval of the above offices.
